To All B-Building Residents

Piper Fire Protection will be doing repairs. The alarms may sound for brief periods while the fire protection equipment is being repaired.

Please be advised that every unit in the B building will need to be accessed by the technician to do the repairs. Every unit owner will be responsible for allowing Fire Piper to access the unit for repairs to be completed. If the unit is not accessible on the day of the repair, the homeowner will be responsible for the cost of having a locksmith access the unit.

We apologize for any inconvenience, and we appreciate your cooperation. If you have any questions, please call the property manager Ronny Dunner at 727-726-8000 ext. 405.

Scheduled Inspection Date:
